

How to Play Dreidel

Each Player begins with the same number of objects (individual hard candies, nuts or gelt). Each player puts one object into the middle to form a “pot”. Players then take turns spinning the dreidel. Each player acts according to the letter which comes up on the spin of the dreidel.

Nun- no reward: next player Spins

Shin- share: player loses and puts ante into pot

Hey- half: the player takes half the pot

Gimmel- get: Player takes the pot; each player puts another ante into the pot
